

Sabancı University IICEC cordially invites you to the discussion of
“The Return of Boom and Bust Oil Prices?”
by the **President of the Rapidan Group, Robert McNally*** on **2 February 2018.**

We look forward to welcoming you.

Regards,

Sabancı University IICEC

()Robert McNally is an energy expert, author, consultant and President of the Rapidan Group, a Washington-based energy market, policy, and geopolitical consulting firm established in 2009. McNally previously served as Senior Director for International Energy at the White House National Security Council. He is the author of Crude Volatility: The History and the Future of Boom-Bust Oil Prices (Columbia University Press, 2016). McNally's professional career has focused on energy markets and policymaking, specializing in global oil fundamentals, geopolitical risk, and regulatory policies affecting conventional and alternative fuel markets.*
