

Semih Özmen

Executive Board Member, Borusan EnBW

Mr. Özmen graduated from the University of Birmingham (UK) in 1983 with BSc and PhD degrees in mechanical engineering.

He completed military service in Turkey and worked in a car assembly plant in Japan during the early years of his professional life.

Since 1988, he was employed by steel pipe manufacturer Borusan Mannesmann. He took several positions including manager of supply chain, vice-president for operations, and executive vice president for automotive pipes.

In 2011, Mr. Özmen became CEO of Borusan Mannesmann. During his time as CEO, he developed energy pipes business in North American market. In 2019, he was elected to the Board of Directors of Borusan EnBW Energy, and is currently serving as Executive Board Member.
