

AHMET ERDEM

*Shell Türkiye,
Country Chairman*

Ahmet Erdem joined Shell in 1990. He worked in various roles in Turkey, the Middle East and Europe until 2003, when he started managing Shell's retail business in Turkey. He played a crucial role in establishing the Shell & Turcas joint venture and subsequent integration of the companies in 2006. He continued his role as the Retail General Manager for the Shell & Turcas joint venture. In July 2008, he was appointed as Shell Kenya Country Chairman. He returned to Turkey in September 2009 and started his position as the Country Chairman of Turkey. He is also the Chairman of the Board of Shell & Turcas JV.

Ahmet Erdem served as the Chairman of the Board of Directors of the International Investors Association (YASED) for two terms in the previous years. Erdem is also Chairman of the Oil and Oil Products Industry Assembly at The Union of Chambers and Commodity Exchanges of Turkey (TOBB), a Board Member of the Petroleum Industry Association (PETDER) as well as a Board Member of the Foreign Economic Relations Board (DEİK).

Ahmet Erdem graduated from Istanbul Technical University as a Civil Engineer and also studied Engineering Management at Istanbul University
