

YASEMİN HOŞDER ÖZTEKİN

*Hitachi Energy,
Country Managing Director,*

Since April 1st, 2023, Yasemin Hoşder Öztekin has been Country Managing Director of Hitachi Energy in Türkiye and Chairperson of Board of Hitachi Energy Turkey Elektrik Sanayi A.Ş, having also oversight responsibility for Azerbaijan and Georgia.

Yasemin joined Hitachi Energy in 2011 as Territory Sales Manager and since then held various roles of increasing responsibility. Prior to her appointment as Managing Director, she was the Regional Sales Manager for Eastern Europe in the Grid Automation Business Unit and the Country Lead for the Grid Automation team in Türkiye.

With over 25 years of experience in the energy and technology industries, Yasemin has held various sales, alliance, and business development roles at multinational technology companies before joining Hitachi Energy.
