

BECOME AN IICEC MEMBER & JOIN THE IICEC BOARD OF DIRECTORS

IICEC BOARD OF DIRECTORS

IICEC Board of Directors brings together top energy companies by providing a distinguished platform for IICEC Members that are committed to addressing key energy and climate challenges. The Board fosters the development of energy and climate research and policy developments of interest to Board Members and the overall energy and climate policy community. The IICEC Board of Directors consists of the company representatives that become Members of this exclusive platform. Board Memberships are now available for companies with significant investment in the energy sector. Becoming an IICEC Member (USD50.000 per annum, 3 years of commitment required) provides you with:
