

**Nazlı Karadağ** has been working as an Administrative Affairs Officer at the Istanbul International Center for Energy and Climate (IICEC) since 2019. Karadağ is responsible for administrative tasks of IICEC, and also provides support in the (conference, seminar, and webinar) activities of IICEC.

Before joining the IICEC team, she worked as a Project Specialist at the Zorlu Holding - Jules Verne Travel & Event in 2018. She also gained experience as a part-time Project Support Member at Funky Event and B2 Creative HR Solutions, and as an Executive Assistant at Zorlu Holding - Corporate Communications.

She graduated from Istanbul Haliç University in 2017 and visited U.K. to develop English language skills during her undergraduate education. Throughout her undergraduate education, she worked in different projects to get acquainted with the business environment.
